You have been invited to a paintball birthday at Outdoor Adventures Paintball Sports!

Paintball is an *exciting and safe* action participation sport for pre-teens and teenagers. In its *simplest* form, paintball is a mix of capture-the-flag and chess played between two teams. Each team attempts to capture the opposing team's flag, while avoiding being tagged with a "splat" or splash of washable "paint".

Games are played on specially designed fields with man-made bunkers and barricades conveniently located next to the parking lot. These fields are netted so parents can watch. Your child can play 3-4 games in a one-hour birthday session.

Games are supervised at all times by trained, professional staff to ensure your children's enjoyment, safety, and fair play. The staff will also assist you with helpful hints on tactics and strategy, as well as equipment service and other advice.

Our playing fields are located at 16698 Governor Bridge Road, Bowie, MD 20716. For Additional information, call 410-437-7492 or visit our website www.OApaintball.com. We look forward to having you at our playing fields.
